## Vernissage - Wildschönau - Oberau

19:00 | The exhibition focuses on Lorenz “Lenz” Klingler from Wildschönau, a student at the HTL for Design in Innsbruck, and Matthias Bernhard, a painter with a studio in Kitzbühel, a graduate of the same school and trained at the Academy of Fine Arts. The two are connected not only by a personal acquaintance, but also by a shared interest in painting as an open process between abstraction and figuration. While Matthias Bernhard intuitively explores the possibilities of painting in a state-dependent manner, Lenz Klingler focuses on striking motifs from pop culture, jazz, hip-hop, and graffiti. Different materials—from broad brushes to spray cans—serve as a means of immediate, emotional expression for both artists. Thus, two generations, two artistic styles, and a similar understanding of painting come together. The jazz trio “Three Blind Mice” will provide the musical accompaniment. The event begins at 7:30 p.m., doors open at 7:00 p.m. Admission: voluntary donations | +43 5339 20055
